- From the old hospital of Benasque (1) we follow the trail towards La Besurta.
- In about 10-15 minutes we arrive at a fork (2) where we turn left, in the direction of Portillón de Benasque.
- After about an hour and a half we arrive at Portillón de Benasque (3), which is an old pass on the border with France that is worth visiting for a while to see the plaque and enjoy the views.
- We return from the Portillo and at the crossing we go to the right (4) to take a narrow trail.
- Now we simply follow the trail that at times has a steep slope that makes us ascend more than 300 meters, to reach the Pico de Salbanguardia (5).
